## TOI Chief, Inspection & Security Branch THRUE Chief, FBIB FROM: Assistant Chief, Mediterranean Bureau 25X1 SUBJECT: 1. Enclosed is a copy of a letter dated 25 September 1948 concerning subject employee, our only Sebres Memiter. 25X1 2. Puring the month of February, 1948, report that some of her personal correspondence had disappeared. On the basis of this report these individuals handling mail were instructed that mail should not be left around and that personal mail should be handed to the individual personally. We had no further complaints from on this metter. 25X1 3. In August, 1948 reported that she had received a 25X1 systerious telephone call to the effect that a (?) wished 25X1 to see her in Moodi. A few days later another of our employees. 25X1 (about when we have mover had any report) received a call that the same person wished to see her. (Beither time did the person receiving the call understand emactly what the same of the dector was.) disclosed that when she and 25X1 had worked tegether in the British Intelligence Department of the 25X1 Fereign Office in Caire, there had been a on the staff. No later was demobilized and returned to England. 25X1 two further salls, sae requesting her to pay LE 50.000 (\$200.00). A verbal report of this was made to the Embassy's security Officer. It will be noted that there is a commercian between the report extracted above and that contained in letter dated 25 September 1948. These reports are from two different American sources in Caire, Egypt.  4. We have had little success so far in finding an adequate replacement for as Hebrer Memiter. These applicants who were qualified rejected the position. It will be recalled that	25X1 25X1
is also the subject of a report from possibly sesses on the same report, and that she is not to be sensidered for transfer to Cyprus.	25 <b>X</b> 1
5. Nothing to our knowledge has happened in the effice to confirm or dispell the suspicion connected with . We feel there may be senothing in the security efficer's statement that it may be a move on the part of senoone to bring discredit on her. He, therefore, recommend that she be retained in our employ, pending more conclusive information. He will, however, continue our efforts to secure another empetent Hobrew Hemiter.	25X1
is also another repatriation case. Unless instructed otherwise, in the event you recommend her release, we will proceed her claim for motice (if not given), indemnity and payment covering cost of transportation to Palestine in the same manner as other employees proviously dismissed who were in this same entegory.	25X1
7. Please asknowledge.
